Re: United States v. Washington 21-CR-603 (VEC)

Dear Judge Caproni,

I am writing to inform the Court of the outcome of my consultation with Mr. Milton Palacio's attorneys, as ordered by the Court in Dkt. 1487.

On June 12, 2024, I reached out to Mr. Palacio's counsel to discuss the potential subpoena for his testimony. Mr. Palacio's attorneys have informed me that if called as a witness, Mr. Palacio would invoke his Fifth Amendment right against self-incrimination.

After consulting with my standby counsel today, I have decided not to call Mr. Palacio as a witness in this case. Accordingly, I will not be requesting the issuance of a subpoena for Mr. Palacio's testimony.

The Court will not issue a subpoena for Mr. Palacio. Dr. Washington is ordered to file a letter by **June 17, 2024**, stating whether, following his consultation with standby counsel, Dr. Washington still wishes to call Terrence Williams as a witness. If Dr. Washington fails to file a letter by this deadline, the Court will interpret that failure as an indication that he no longer wishes to call Terrence Williams as a witness.

SO ORDERED.
